"I don't think fill even forget The expression of Captain Romer's face." Neison recalls. "He was just beaming."

It was, indeed, a moment of Liumph for Rozier, and he handied it like a true destroyermun. Up the signal arm of the Codl went international flags that spelled out the query:

"Can we be of a sistance"" The Russian communities coldly declined to reply.

Although around 30 confacts were made during the Cuban criels, with wime subs being forced to the surface for lack of air and hattery charges, the Cecil was the only ship to accomplish it Single handed.
